Only the middle part of the new sheet is shown due to image size problem.

Row 27 is first QSO in the range 26-50.

You have to repeat this until all your QSO's is in your excel sheet.

Next step is to sort your sheet.

Hit sort and then user defined option.

I have sorted the first 50 QSO's after prefix (DXCC country is also an option)

Next you manually have to delete the dupe entries in the excel sheet

And you get the list I presented.
