Vanuatu October 15-30.

Van, N4VGE, is the organizer for a DXpedition to Vanuatu during October 15-30.

The DX Mentor Podcast

By Bill Salyers

The DX Mentor podcast is directed towards any amateur radio operator (Ham) or Short Wave Listener (SWL) who has an interest in listening to or communicating with stations that are not in your country, or DX. There have already been many episodes with more in

the future, and I think you'll find them quite interesting.
